A SPECIAL THANK YOU TO SUSAN

SUSAN SMITH thank you for a job well done, and thank you "Run.Abouts" for getting out there and getting pledges for this research so dear to our hearts.

Susan was wonderful, keeping track of who was going to be where and contacting you ladies to find out if you could help get out there and get donations and if you couldn't then SHE DID.

I can't thank all of you enough!

SO- THANK YOU, THANK YOU, THANK YOU!!!!

Ok so what did we collect???

\$1,003.00 so far and we are not finished yet! \$80.00 of that came for "Susan" to walk backwards and she did !!!! along with Chief Jeff Gilbert who also walked backwards with her.

We still have a couple of events to finish in November, so if you have not turned in your donations and still have money to collect please get it to us by November 17th. I will then send it in.

Another thank you to the Quartzsite Police Department for all of their support to our walkers ,

and to: Burger King, Horizon Community Bank, Mountain Quail Cafe and Sparklets Water for your support and donations to help make this another wonderful "Walk for Cancer Research"

Susan already has her "thinking cap" on and has started making plans for a bigger and better donation for next year.

"GREAT JOB"

And a "VERY SPECIAL THANK YOU TO ROZ

Another person who has helped us "**Big Time**" with our PINK RIBBON month is "**Roz**".

Before I go any further let me inform you that Roz has had a heart attack, but is doing GREAT now, nothing keeps this lady down for long.

Our beautiful "**PINK SHIRTS**" are a gift to our group from Roz. Yes we each paid for our shirt a whole \$5.00 but Roz is the person who purchased these shirts and the money we have paid goes into our "red hat" for us to use on future projects.

It is help like this that makes our group so special. I could never do all of this without the help that you LADIES give to me and I really can not thank you enough.

Each and everyone of you who takes on the responsibility of a meeting even just making the reservation at a restaurant is one less job that I have to do and believe me I appreciate it. I really feel that you can not have a successful group without the majority of us working together. NO ONE PERSON can do this alone.

so **THANK YOU ~ THANK YOU**

and to **ROZ** another **THANK YOU** for all that you do and **Kelly** an even bigger **THANK YOU** for putting up with ROZ

YOU'RE ALL VERY SPECIAL LADIES!

Patty Elmore is doing much better since her surgery... and I can not believe how well Roz is doing since her heart attack. Cards are always fun to receive when you can't get around so remember to send cards when you can...

Everyone please stay well and call one of our Run-Abouts if you just need to talk or want someone to go shopping with.

Previous and Future Meeting

The Birthday party at my home was a great success and I hope you all enjoyed it.

Our next meeting will be hosted by Sherry Hassell.

We will meet at 10:30 at Carls Jr. (They'll just think we are all going in to have lunch) and caravan to Blythe and have lunch at Sizzlers. For those of you who wish to go shopping or ??? after lunch and therefore drive over, please be there by 11:00 am.

There are a couple of business items we will need to take care of but other than that we should be able to have a wonderful lunch and just visit.

Below is a list of our Hosts' for our up coming meeting. Looks like we need some input here ladies. Please step forward and help. If you would like to plan a gathering but can't think of something different to do just get ahold of me or partner up with someone else. Meetings DO NOT need to be extravagant just by helping to make reservations at one of our restaurants would be great.

So put on your thinking hats and let me know if you can help out... thank you
